WATER SERVICE TURN ON/ SHUT OFF REQUEST

NAME: _____ PHONE # _____
PHYSICAL ADDRESS: _____ PARCEL ID: _____
SHUT OFF REQUEST DATE: _____ TURN ON REQUEST DATE: _____
(IF APPLICABLE)

Your water will not be turned on/off without this form. Any valves left on without written authorization while you're away will be charged the minimum usage fee for that quarter(s) which you will be responsible for.

The Water Superintendent will not turn water on to a residence without someone present to check for leaks. It's also recommended someone verify the water service is off after the Superintendent switches the valve off.

Per The Water Ordinance there is a Water On/ Off Charge that will be billed to your account. Full quarter fees apply, if water is on after the start of each quarter (March 1st, June 1st, September 1st, December 1st).

I understand and agree with all the above statements.
