

Planning Commission
March 19, 2019

Members present: John Goodrich, Terry Tatro-chair, Renee Creller-clerk, Brian Tjelta, Carol Behrman

Public present: Taylor Newton-NRPC

7:00pm meeting called to order.

Adjustments to agenda: Under discussion to add Mark Fenton visit

Taylor presented the final draft of the Master Village Plan. New additions were: executive summary and cost estimates, demonstration projects(pop-ups), Milk St cost estimate, appendix D Town Highway calculations, appendix F breakdown estimates. Taylor will present the final report in a Public Forum at the next PC meeting, April 16th.

Taylor also tried to answer our banner legality question. It's not completely clear whether sign laws apply to them or not.

Brian made the motion to approve the May 2018 and September 2018 minutes as presented. Carol 2nd. All in favor, motion carried.

Electric car charging update: We are waiting for the project review approval from the state in order to submit for consideration on April 30th.

Correspondence: Land use permit and wastewater permit.

Mark Fenton discussion tabled until April meeting.

John made the motion to adjourn. Brian 2nd. All in favor, motion carried.

Respectfully submitted,
Renee Creller
Board Clerk
