

ARTICLE #1:

Shall the voters authorize the Alburgh Selectboard to enter into a Memorandum of Understanding (MOU) with Matrix Design Group, to pursue the construction and operation of a state-of-the-art broadband FTTH (Fiber to the Home) network in the Town of Alburgh. The network will be made available to all homes and businesses and will require Matrix to invest approximately \$2.73 million. The agreement also stipulates that the Town is responsible for the acquisition of the rights of way, estimated at \$869,000. The capital provided by the Town for the rights of way would be recouped through monthly subscriber fees.
