

Town of Alburgh  
Selectboard Budget Meeting  
Municipal Conference Room  
1/2/2023

Present: Josie Henry, Elliot Knight, Donna Boumil, Donna Bohannon, Danielle James Choiniere

Budget Meeting

Josie Henry opened at 5:04 PM.

Budget work was resumed from the last session: general fund. The town got a letter from the state regarding Alburgh's 2022 Equalization Study Results and it may constitute a reappraisal in the future; keep in mind for future budgeting. Contract the Health Officer position out with other towns? Considered arranging vote for appointing treasurer, changing local auditors and delinquent tax collector. Assess roles for office personnel on who does what, with statutes as a guide. Consider asking attorney on verbiage for merging delinquent tax collector position with other town role.

- **Josie Henry moved for a short recess at 6:15 PM. Elliot Knight seconded, all in favor. So recessed.**
- **Josie Henry motioned to resume meeting at 6:20 PM. Donna Boumil seconded, all in favor. Thus resumed.**

Various line items were flagged to return to at the next meeting pending more information.

Adjourn

- **Donna Boumil motioned to adjourn at 7:23 PM. Elliot Knight seconded, all in favor. So adjourned.**

Respectfully Submitted,

Danielle James Choiniere
